

# All About Me

## A little about me!

Hi! My name is Cheyenne Rees. This is my second year teaching at TLC. I started teaching last May part time. I grew up at TLC doing the summer program and then continued to stay and help my mother when I aged out of the program in the summers. I have a passion for littles and plan to pursue early childhood education. I recently got engaged to my high school sweetheart and have two fur babies Olive and Kip! I enjoy spending time drawing, painting, spending time with my family and my fiance. I love a good Target or Hobby Lobby trip! I'm a firm believer in not starting the day without my Starbucks!

## Favorite Things

Starbucks  
Candy  
Arts and crafts  
My dogs  
Flowers
