## About Me

Welcome to The Learning Center! My name is Farrah Stahler & I am the director at TLC. Before starting as director, both of my children attended school here. We have had so much fun coming to school together this year!

My degree is in Early Childhood Education from MSU. I spent 10 years in public education, primarily with Kindergarten & Pre-K. Early Childhood has always had my heart.

## Fun Facts

My husband, Robert and I have been married for 10 years. We have 2 kiddos, Benjamin and Sloan. Our home is filled with all things dinosaurs & Minnie Mouse and we wouldn't have it any other way.
